Teacher's Day

When I first got to school
to learn and grow,
I went to class,
and saw a shiny glow.
It was my teacher,
the best of all,
in the class,
waiting for all.
That day
I really knew
I'll be smart because of you.
Happy Teacher's Day!

Thank You

Thank you for being the best,
Working hard to grade our tests,
You treat us like your children
And help us with some problems.,
You are kind and very loving
And hardworking,
You tell us that we are nice,
It puts a big smile on our faces,
You can even see our braces.
When we do something bad
You don't blame us,
But you blame yourself.

Teacher

Teaches us our ABC
Explains my work so carefully,
Always listens to our call,
Cares for children when they fall,
Holds our hand when we are sad,
Even dances when we are good,
Really loves their super class.

Arabic, English, French or Math,
Science, Geo, History and Art,
Bible, Computer or PE
Whatever the subject,
You teach with your heart,
Because of you,
I'll move up a grade!
I thank you for being the teacher you are,
With all your support, I'm sure to go far.

Your smile brightens my day.
Your caring makes everything okay
Your hugs are warm and make me
Feel secure
Your heart is huge that's for sure
Your daily love helps me to grow
As you teach me the things I need to know
Thank you for what you do
You are a difference maker for me
That's so true.

Encouraging with everything we do,
Amazing in your explanation too,
Calm to help us understand,
Happy to repeat when we misunderstand,
Everyone of you is wonderful
Respectful and careful,
Smart and beautiful.

Doing your best
And you never rest
Yes! I love you so much even your test.

Dear Teacher,

Thank you for teaching me new things and making things clear for me to understand. I enjoy your classes. They make me look forward to waking up in the morning. I learn new things. I feel so excited that I cannot wait until I share what I learn during the day with my mother and daddy. I love you very much. I am happy my parents chose CTI to be my school, or I would have never met you. I think you are a marvelous teacher.

Love from,
Hazel (4B)
