

An Adventure through the Alp Mountains

A happy, sunny day
In the month after May
Confetti in the air
As we're dancing here and there
With music spread everywhere!

An eye-catching view
With a great camera crew
Filming here and there as we move!
Family and friends here to watch you,
So that they can cheer and shout "yoo-hoo"!

It's a special time of the year
When wonderful music fills your ear
Come join our wonderful creation
With students that are from different nations!
I hope you join us during this special celebration!
